Hello JT and Jeff,

The Assumption team met today and reviewed the Florida and Corps MOA. The team had questions regarding the language changes at line 238 or section VII. Enforcement. If possible would one or both of you be able to weigh in on the redline changes made some time today?

Tom would like to report out to Jeananne today if possible with EPA's impression of the changes that are proposed.

Thank Gentlemen,

Johnnie D. Purify Jr.
